

Dear Members,

Welcome to a fabulous new year and a bright future for IWA!

As we enthusiastically look to a great calendar of events for 2024, IWA is embarking on a **NEW MEMBER DRIVE**. This initiative will kick off on January 2 and culminate with final results announced on March 31, 2024.

IWA has been a positive force in the lives of many women with diverse international backgrounds. As one new member effused:

*"After landing in Chicago following a number of overseas assignments, I've connected with an amazing group of globally-conscious women. What a fabulous organization IWA is! I love IWA and all it has to offer! Due in large part to IWA and the amazing friendships I've made, I can now call Chicago home."*

**So please help spread the word about what IWA has to offer and what a truly rewarding experience IWA membership can be!**

Please invite qualified prospects for coffee, one of our Meet and Greets, or an upcoming event. These ladies will thank you for introducing them to IWA!

Proposing a new member is easy - contact the Membership Director Ria Rörich, [ria@globalturnarounds.com](mailto:ria@globalturnarounds.com) or 312-241-0574.

Here's to a great new year!

Ying Hirsh  
President

P.S. Sponsors of the most new members will be honored with a full page acknowledgment in the gala program book!
